Special Orders

Friday's Forecast

On Friday, the House will meet at 9:00 a.m. for legislative business.

H.R. 3289 - Supplemental Appropriations Act for Fiscal Year 2004 (Subject to a Rule, Continued Consideration)
(Sponsored by Rep. Young (FL) / Appropriations Committee)

Quote of the Day

"Iraq is already burdened with about \$200 billion in debt. Either much of that will be forgiven, in which case a U.S. reconstruction loan will prove mostly symbolic, or Iraq will struggle for years under a crushing debt burden, in which case another loan only adds to the misery. To make a loan in these circumstances is like swimming out to a drowning man and handing him a ten-pound weight."
